Ambulance staff 24/7 crisis phonenumber

On 24 November, an ambulance staff 24/7 crisis phonenumber was launched. This new service has been made possible by funding from NHS England and has been commissioned and co-designed by the Association of Ambulance Chief Executives on behalf of the NHS ambulance sector.

AACE Annual Report 2021-2022

For our 2021-22 Annual Report, we focus on the work of our national director groups and their sub-groups, which more than demonstrated their worth during the pandemic in keeping people connected, supported, and informed in taking consistent approaches to managing the challenges faced by ambulance services.

IPC Survey Feedback

In Issue 1 of Keeping PAACE (Winter 2021) we told you that AACE had commissioned Zeal Solutions Ltd to design and issue a survey to all ambulance staff and volunteers to capture experiences of IPC measures during the pandemic. A summary of the findings is now available here.
